**Sponsorship**

Luminosity is this year’s annual garden party at the Rotch-Jones-Duff House & Garden Museum to raise mission-supporting funds. On Friday, June 12, guests will gather in the newly illuminated historic garden to enjoy performances, refreshment and the historic ambiance of the estate. As the sun sets, the gardens will begin to glow with newly installed landscape lighting, a recent improvement made to increase public access to the property. We invite you to support continued public access to this historic site with your sponsorship. Sponsors benefit not just from their association with a cultural community asset, but also from the exposure to thousands of our constituents, including social media subscribers, Museum members, donors, and party guests.

**Proceeds from this event support the Museum’s educational, community outreach and preservation efforts.**
